D-Day Prayer Project

In 2011, the Ohio Christian Alliance launched a Congressional effort to add FDR's D-Day Landing Prayer in its entirety at the WWII Memorial in Washington, D.C. The bill was sponsored by Congressman Bill Johnson of Ohio's 6th District and Ohio Senator Rob Portman. The legislation passed Congress in June of 2014 and was signed into law (S 1044). The effort was supported by veterans groups, military families, and individuals across the country. The WWII Memorial Prayer Act stipulates that the effort will not be paid for by tax dollars but by private contributions from individuals like you. We have now entered the final phase of planning, fundraising, and construction. If you would like to be a part of the effort to add FDR's D-Day Prayer at the WWII Memorial for a lasting tribute to our veterans, you can do so by making a tax-deductible contribution today to the Ohio Christian Alliance Educational Fund at www.ohioca.org.
