*"In a nation such as this where the people choose their leaders, if the Congress be ignorant, reckless and corrupt, it is because the people tolerate ignorance, recklessness, and corruption."*

- President James Garfield

*"...God cannot sustain this free and blessed country, which we love and pray for, unless the Church will take a right ground. Politics are a part of religion in a country such as this, and Christians must do their duty to the country as a part of their duty to God. God will bless or curse this country in accordance to the course Christians take in politics."*

- Charles Finney
