

Advocating for Life, Faith, and Freedom in the Public Square

August Newsletter 2026

There is a political alarm that is sounding in the country, and it is the alarm of Democratic Socialism. Reckless immigration policy in recent years has created a monster. Islamists, as well as members of the hard left, are running as Democratic Socialists. **Their goal is to deconstruct the Constitution of the United States of America.** Democratic Socialists who have been winning elections in the primaries and have won the mayoral race in New York City with Zohran Mamdani, are bringing third world politics to the shores of America. **They admittedly announce that their goal is to eliminate the U.S. Senate, the Electoral College, to expand the Supreme Court, and even to eliminate the Presidency. This is a direct threat to our Constitutional form of government.** President Trump's election was an opportunity to put at bay the efforts of the radical political left. The clock was ticking from the moment he took office on January 20, 2025, nineteen months ago. The President is doing all he can to address issues of affordability that are a concern to the younger generation – the financial ability to buy an affordable car, buy a home, have a living wage, and bringing manufacturing back to America. The President has had some setbacks with his tariff policy, as the U.S. Supreme Court struck down his tariffs. We are \$39 trillion in debt, and as one young conservative told me recently, the debt was \$34 trillion when President Trump took office. The young man said, "It is now \$39 trillion. This is everyone's problem."

VOTER GUIDE

Sherrod Brown (D) ISSUES Jon Husted (R)

The mid-terms of 2026 are slated to be the most difficult mid-terms in many years. To avoid a political wipeout of conservatives, it is going to take all our reserves to throw into the line to mitigate an all-out disaster. **This is not the time for Christian conservatives to sit out.** If the political left wins both House and Senate, impeachment proceedings will commence immediately on day one. President Trump and his Administration will be under siege by the political left. We can't let that happen, and there is something we can do about it. The Ohio Christian Alliance has produced important educational voter guides and information for people of faith for the past 25 years. We have printed and distributed over 11 million voter guides over that period since 2004. Things have changed over the years. Our material is mostly shared electronically, and this year we are launching a new website with a new, improved, easy to read, user friendly Voter Guide.

The new website will be launched by September 15th. We will have some printed bulletin inserts for churches and a downloadable bulletin insert for churches to utilize with a QR code that will take people to the online viewable voter guide. The polling on the Governor's race is neck and neck. The polling on the U.S. Senate race has Senator Jon Husted just slightly leading former Senator Sherrod Brown. Congressional races in Ohio are close. Republicans could either win two or possibly lose two. **But there is hope on the horizon...**

The Ohio Christian Alliance has been experiencing a youth movement in recent years. Young conservatives have been showing up in greater numbers to our events, OCA Freedom Banquets and Candidate Forums.

These young college conservatives are from colleges and universities across the state. Some of them are Turning Point USA students. They are strong conservatives and Christians, and understand the times they are living in.

I am very impressed with the political knowledge that these young people have. This is the generation we have been praying for. And, the Lord has seen fit that we would be mentors to this new youth movement.

These students come from Ashland University, Ohio State University, Case Western, University of Cincinnati, Miami University of Ohio. Their majors are in medicine, business, law, and political science. They are the leaders of the next generation, and we are honored to have them with us at our events.

The Ohio Christian Alliance is holding a Constitution Day Freedom Banquet Election Rally on Constitution Day, September 17th at the Villa Milano, 1630 Schrock Road in Columbus. 6:00 p.m. reception and 7:00 p.m. dinner program. The registration flyer is included in this mailer.

Confirmed speakers include Gubernatorial candidate Vivek Ramaswamy, Attorney General candidate Keith Faber, Secretary of State candidate Robert Sprague, Auditor candidate Frank LaRose, emcee Jack Windsor, and other special guests. Senator Jon Husted is moving his calendar around to be with us.

This will be an evening of rallying the troops. Register for the Freedom Banquet today!

Thank you for your continued support of the Ohio Christian Alliance. We continue to be your voice in Washington D.C. and at the Ohio Statehouse, advocating for life, faith, and freedom.
