Ohio Christian Alliance

Ohio Christian Alliance is a public policy, voter education organization representing Christian interests before the Ohio Legislature and the U.S. Congress. OCA advocates for pro-life, pro-family, religious liberty, First Amendment issues.

To learn more, please visit: **ohioca.org**

Our Mission:

- To inform Christians about timely issues and pending legislation
- To speak for truth and morality in the public arena
- To educate voters through voter guides, score cards, and candidate forums
- To train Christian leaders for effective social and political action
- To defend legal rights of Christians against ever-growing anti-Christian bias

In a nation such as this where the people choose their leaders, if the Congress be ignorant, reckless and corrupt, it is because the people tolerate ignorance, recklessness, and corruption.

- President James Garfield

“...God cannot sustain this free and blessed country, which we love and pray for, unless the Church will take a right ground. Politics are a part of religion in a country such as this, and Christians must do their duty to the country as a part of their duty to God. God will bless or curse this country in accordance to the course Christians take in politics.”

- Charles Finney
